

THE NAB TEAM, THE PROBLEM, THE HOW

Immersion Objectives:

- **National Australia Bank (NAB):** provide NAB corporate skills to assist with a not-for-profit community project with support from Australian Business Volunteers (ABV).
- **Committee for Ballarat (C4B):** understand how to reduce members' industrial emissions, and the sector in general.
- **Beyond Zero Emissions (BZE):** investigate a replicable model for other regional areas to utilise when moving to renewable energy.

The Team:

- ✓ NAB employees
- ✓ Passionate about sustainable communities & renewable energy
- ✗ Energy experts
- ✗ Frontline bankers (no financial involvement!)
